A global health pandemic occurred during the third trimester of the 2019-2020 school year and the entire 2020-2021 school year. All courses continued in a synchronous remote learning environment from March 23 through May 20, 2020 and in synchronous hybrid and remote learning environments for Academic Year 2020-2021. For the Spring 2020 semester, students had the option to convert their letter grade for selected courses to a "PC-19" meaning Pass during COVID-19 or "WC-19" meaning Withdraw during COVID-19. For the Fall and Spring semesters of 2020-2021, students were given the option to convert one course to PC-19 or WC-19 for the fall, and up to two courses to PC-19 or WC-19 for the spring. PC-19 and WC-19 grades are not factored into the student's GPA.
